

Transmission & Distribution World's Buyers Guide is a complete sourcebook for products and services in the electric utility power-delivery field. The printed version will be published in September 2018 and delivered free to 36,500+ t&d specialists - managers, engineers, superintendents and purchasing agents with the specifying and buying responsibility for power delivery systems.

INSTRUCTIONS

- Every **Manufacturer's Representative** is entitled to one territory listing at no cost. Additional territories may be purchased for \$90 each. See page 2 for territory list.
- **NEW!** List the names of up to five companies that you represent, at no charge. Additional companies can be listed for \$25 each.
- **Stand out from the hundreds of other companies listed!** Enhancements are available for an additional cost. See details on page 3.
